REGISTRATION INFORMATION FOR THE FALL OF 2009

- **Classes are scheduled to begin on Wednesday September 9th**, and basically follow the Eau Claire school calendar.
- **Lessons should be paid at the beginning of each month.** We do not send out monthly bills, however credit card auto pay is available upon request. Lessons are available on a monthly basis only, with an average of four classes per month. If you miss a class for any reason, it may be made up in another class of similar level within one month of that absence. There will be **absolutely no refunds** for lessons missed. You pay for all lessons whether you come or not. This is the only way I can maintain a reasonable rate of charge.
- **You do not pay for lessons that are canceled.** Any lessons that are canceled for any reason (the teacher is sick, bad weather, holiday vacation days etc.) will be calculated into the last month of that semester. (First semester cancellations will be credited to December lessons and second semester cancellations will be credited to June.)
- **All ballet students are required to wear leotards, tights, and ballet slippers.** It is important that the teacher be able to see clearly the student's body alignment, therefore, loose and/or bulky clothes are not allowed.
- **All jazz and hip hop students are required to wear jazz shoes or jazz sneakers. Street shoes will not be acceptable as the dirt from outside destroys the surface of the dance floor.**
- **En Avant requires a \$30 registration fee.** This registration fee helps to insure the commitment of students who register for classes. **Refunds are only given to students we are unable to accommodate.**
- **Registration fees must be paid when the form is turned in. Students will not be considered registered until the fee is paid. Returning students must have account balances paid in full before registering.**
